Life insurance

Help ensure your family is financially secure in case you pass away unexpectedly.

Sun Life Evolve Term Insurance

- Guaranteed premiums until the end of your term
- Guaranteed tax-free death benefit to your loved ones
- Coverage you can increase at certain life stages
- Option to convert to permanent insurance later

Permanent life insurance

- Lifetime protection
- Guaranteed tax-free death benefit to your loved ones
- Opportunity to grow tax-preferred savings

Give your child a head start. It can get harder to qualify for life insurance as you age. Securing it now helps protect their ability to have coverage later when they need it most. Plus, getting a policy while they're young could potentially save them thousands over their lifetime.

Critical illness insurance

Help your family focus on health, not finances, if someone becomes seriously ill

- Covers illnesses such as cancer, heart attack, stroke, and many others*
- Helps ease the financial impact if you, your spouse or partner, or your child is diagnosed with a covered illness
- Provides a one-time payment with which you can choose to:
 - › Reduce debt and other financial concerns while coping with the illness
 - › Replace any reduced or lost income for you or your spouse or partner
 - › Bring in extra help at home
 - › Pay for medical treatments, medications or other care related costs not covered by private or government health insurance plans

*Claims are assessed based on critical illnesses specifically covered in the client's critical illness insurance contract at time of issue. Covered illnesses must meet the specific definition requirements, and coverage is subject to exclusions and limitations.

A solid foundation for your family includes:
