Sun Life Assurance Company of Canada
Request for Change to Adjustable Life Policy

Re: Policy No. 30 on the Life of 31
Review of Policy Cost Basis
Review Date: 32 (see Adjustment Provision in your policy.)

I understand that the cost basis of my policy for the three-year period beginning on the above review date will be higher than the one in effect for the past three years.

In lieu of my premium payment being increased, Sun Life is hereby directed to maintain my current premium payment and reduce the amount of the Adjustable Life Benefit to the amount appropriate for the premium payment. I understand that the cash and paid-up values for the policy will be those appropriate for the amount of the premium being paid.

I confirm that this election will apply at all future review dates should a higher cost basis be established.

Amount of Adjustable Life Benefit if current Premium Payment is maintained: 33

As elected, there will be no change in the premium and the amount of the premium will continue to be 34 35, until the next review date. Cash and Paid-up Values on 36 assuming all previous premiums are paid are as follows:

	Cash Value	Paid-up Value
37	38	39
40	41	42
43	44	45
46	47	48

See Cash and Paid-up Values Provision in your policy.
